BAMBOO

SPECIAL TREATMENT

Since ancient times, bamboo has been a traditional cultural symbol of Vietnamese people. It not only carries many profound values but is also a miracle medicine that helps relieve tension, fatigue, and stress effectively.

Bamboo massage is a not new massage therapy, first put into use in 2004, but is quite sophisticated and requires many difficult skills in treatment.

At La Maison Spa, bamboo massage is like a breath of new vitality to your body with the technique of heating the bamboo stick and massaging the bamboo tube over the entire body, impacting deep inside the vessels to bring comfort, Soothing, bringing comfort and soothing muscle pain. Besides, hot bamboo sticks also affect acupressure points to eliminate toxins in the body, helping blood circulation, bringing you to deep sleep and maximum relaxation.
